MA IN APPLIED ECONOMICS

Online
Part Time or Full Time

FIND YOUR WAY HERE.
CUSTOMIZE YOUR CURRICULUM:

Start with a stackable graduate certificate.

Begin your program of study by earning a graduate certificate in Economics of Health Analytics or Quantitative Business Economics.

You can choose to add another certificate to support your interests and professional career OR move to the MA in Applied Economics degree program. With an earned certificate, you may waive the GMAT/GRE application requirement for the master’s program.

Earn your MA in Applied Economics.

30 credit hours

Enroll directly as a master’s degree student and complete the 30-hour curriculum. You may choose to earn a certificate (or two) en route to completing your master’s degree.

CONSIDERING A PHD?

We offer a MA to PhD combined program for students interested in a doctoral degree. This program allows you to earn the master’s degree en route to the PhD and is only available on campus. Please contact the Department of Economics at 336.256.1010 or economics@uncg.edu to learn more about this option.

PROGRAM FEATURES:

- Our program has a 90% placement rate for graduates within three months of graduation.
- Learn to analyze large data sets with the same software used by Fortune 500 companies and financial institutions.
- Deepen your general economic theory and econometric skills and develop an understanding of policy analysis fundamentals.
- Prepare to make an impact in a variety of fields, including public policy, government, finance, and many more.
YOUR CAREER COACH

Whether you’re looking to move into a new field or move up the ladder within your existing industry, dedicated Graduate Student Professional Development Specialist Megan Parker is available to help you reach your goals.

In addition to in-person resume review, interview preparation, and career coaching, you’ll be able to take part in workshops and webinars. Build the skills needed to secure the career of your choice!
