TEACHING EXPERIENCE

Assistant Professor of Accounting, Saint Augustine's University (2/00 – 05/14; 08/15 – present)

- Teach four or more courses per semester including Principles of Accounting, Intermediate Accounting, Managerial Accounting, Fraud Examination, Intro to Taxation, Managerial Finance, Principles of Finance, Personal Financial Planning, or Principles of Real Estate.
- Utilize hybrid format with face-to-face instruction and online homework.
- Serve as the Program Coordinator to assess accounting courses.
- Communicate effectively with traditional students, adult-learners, colleagues, and administrators.
- Participate in education forums to promote financial literacy.
- Make presentations at conferences.
- Received position as a result of promotion in August 2001.

Adjunct Lecturer in Accounting, NC State University (01/08 – 08/13)

- Taught Concepts of Financial Reporting in hybrid format for two years and in distance education thereafter.
- Maintained relationships in a telework environment by regularly communicating with students, distance education staff, and accounting department via email, phone, and system uploads.
- Incorporated Moodle, CengageNOW, PowerPoint, and other electronic tools to facilitate learning.
- Supervised one teaching assistant per semester.
- Served as a pilot instructor for Wiley Publishing's homework technology which resulted in course-wide implementation for all ACC 210 sections held during the next four semesters.

INDUSTRY EXPERIENCE

Owner/Broker, Van Brodie Properties (09/14 – present)

- Represent residential clients on purchases/sales ranging from small investment properties under \$100,000 to luxury estates greater than \$1.5 million.
- Educate and advise clients, as needed.
- Negotiated sale of \$7 million for a commercial client.
- Started own brokerage firm after several years of affiliation with national franchises.

Managing Member, Cornerstone Developments LLC (08/03 – present)

- Market currently owned properties for rent.
- Collect monthly rents and conduct quarterly inspections.
- Hire, monitor, and pay contractors.
- Provide periodic reports.

General Accounting & Cash Manager, NC Department of Agriculture (02/15 – 08/15)

- Supervised five employees: three in Cash Management and two in Grants & Contracts.
- Managed daily activities in Cash Management including submitting requisitions, interagency transfers, and deposit certifications.
- Approved cash entries related to cash bags, mail-ins, credit cards, RDCs, transfers, and wires.
- Used NCAS, CMCS, and Core Banking to monitor monthly close out of cash.
- Reviewed federal fund draw-downs submitted by NC Forest Service.
- Certified federal grant wires for multiple divisions and awaited State Treasurer's approval.
- Prepared journal entries and notified divisions of federal grant receipts.
- Provided documentation and up-to-date reconciliations for budget code 33700 DACS-Federal.
- Prepared and submitted monthly analysis to the Office of State Budget and Management.
- Served on the Eagle Team to document and test internal controls for real estate leases.
- Met with Controller, Assistant Controller, and OSC Financial Specialist to prepare 2015 CAFR.
- Identified problems, performed research, analyzed findings, and communicated results.

Accountant, NC Temporary Solutions (06/14 – 01/15)

- Prepared bank recons to agree cash balances reported by CMCS, NCAS, and Core Banking.
- Performed analysis related to internal service funds and prepared journal entries for 2014 CAFR.
- Completed CAFR cash flow worksheets for four proprietary funds.
- Updated the fixed asset records for several divisions and provided training to other accountants.
- Assessed process risks and calculated key performance indicators for EAGLE.
- Documented federal compliance with Section 8 eligibility, monitoring, and reporting.
- Interviewed accounting staff to document and test receipts from E-procurement fees and fines.
- Updated narratives, walkthroughs, and RACMs for State Parking Systems cash receipts, Motor Fleet Management invoicing, and Accounts Receivable 13th Month Entry.
- Prepared ad hoc reports for CFO and other members of management using Excel and Word.

State Management Analyst, NC Office of the State Controller (3/97 – 3/00)

- Worked as a systems accountant assisting with monthly financial reporting on NCAS.
- Provided general ledger and other systems accounting support by using the GEAC and IE to troubleshoot users' accounting and reporting issues.
- Tested new system modules, upgrades to existing functions, and report designs using NCAS.
- Worked as a team member to provide training and delivery of various classes on NCAS financial modules.
- Served as project leader to write a course manual for using the Accounts Receivable module.
- Presented information clearly and concisely both orally and in writing.

Assistant State Auditor Trainee, NC Office of the State Auditor (5/96 – 2/97)

- Worked primarily on a team to perform financial audit of NC government agencies and institutions.
- Utilized prior year working papers to become familiar with systems, personnel, regulations, budgets, and past reporting details.
- Collected various source documents required for audit examination.
- Performed auditing tests for fair presentation, adherence to internal controls, and compliance with applicable laws or regulations.
- Communicated findings and recommendations effectively both orally and in writing.

Computer Production Specialist, NC Office of the State Controller (2/95 – 8/95)

- Assigned information systems security access based on job title or job duty profile.
- Provided client support for NCAS login, and added new vendors to the statewide files.
- Created spreadsheets and charts using Excel.
