COVID 19 HEALTH AND WELLNESS IN THE CLASSROOM

As UNCG returns to face-to-face course offerings in fall 2020, the campus community must recognize and address concerns about physical and emotional safety. As such, all students, faculty, and staff are required to uphold UNCG’s culture of care by actively engaging in behaviors that limit the spread of COVID-19. Such actions include, but are not limited to, the following:

- Wearing a face covering that covers both nose and mouth
- Observing social distance in the classroom
- Engaging in proper hand washing hygiene when possible
- Self-monitoring for symptoms of COVID-19
- Staying home if you are ill
- Complying with directions from health care providers or public health officials to quarantine or isolate if ill or exposed to someone who is ill.

Instructors will have seating charts for their classes. These are important for maintaining appropriate social distance during class and facilitating contact tracing should there be a confirmed case of COVID-19. Students must sit in their assigned seat at every class meeting and must not move furniture. Students should not eat or drink during class time.

A limited number of disposable masks will be available in classrooms for students who have forgotten theirs. Face coverings will also be available for purchase in the UNCG Campus Bookstore. Students who do not follow masking and social distancing requirements will be asked to put on a face covering or leave the classroom to retrieve one and only return when they follow these basic requirements to uphold standards of safety and care for the UNCG community. Once students have a face covering, they are permitted to re-enter a class already in progress. Repeated issues may result in conduct action. The course policies regarding attendance and academics remain in effect for partial or full absence from class due to lack of adherence with face covering and social distancing requirements.

For instances where the Office of Accessibility Resources and Services (OARS) has granted accommodations regarding wearing face coverings, students should contact their instructors to develop appropriate alternatives to class participation and/or activities as needed. Instructors or the
student may also contact OARS (336.334.5440) who, in consultation with Student Health Services, will review requests for accommodations.

Culture of Care: We are all in this together. Health and wellbeing impact learning and academic success. Throughout your time at UNCG, you may experience a range of concerns that can cause barriers to your academic success. These might include illnesses, strained relationships, anxiety, high levels of stress, alcohol or drug problems, feeling down, or loss of motivation. Student Health Services and The Counseling Center can help with these or other issues you may experience. You can learn about the free, confidential mental health services available on campus by calling 336-334-5874, visiting the website at https://shs.uncg.edu/ or visiting the Anna M. Grove Student Heath Center at 107 Gray Drive.

In addition, the Dean of Students Office is your one-stop-shop for support. Please contact the Dean of Students Office if you are experiencing difficulties that may impact your courses. They can help connect you with resources and assist in reaching out to your professors. You may contact the Dean of Students at 336-334-5514 or https://sa.uncg.edu/dean/

Let’s take care of ourselves and each other!

Note: You will be given three attempts at the practice test, but you will NOT be able to see your results after each attempt.

(2) Excel Certification: 6 additional points on the Final Exam if you become certified in Excel. This is also a great addition to your resume. Sign up early because slots are limited! Please note that as the end of the semester gets nearer, there may be fewer seats.

(3) Course Evaluations: ½ point on the final average for individual that complete both course evaluations. There will be one mid-semester and one at the end of the semester. Both are anonymous. The mid-term allows me to evaluate the course and make changes mid-stream to benefit the students.

Tutoring

- Virtual tutoring will be available January 25th through the last day of class, April 28th.
- Be prepared with specific questions. Bring your notes and other relevant materials. If you have a question about a homework problem, you will need your laptop/tablet with you to access MYLABS.

Practice Set

During this course, you will complete a comprehensive practice set to solidify your understanding of the accounting cycle in MyLab. This practice set will be completed in phases during the semester. This will count as a homework grade and will be weighted the same as other homework grades but is NOT eligible to be dropped.

Exams

- You may use your books/notes on the examinations. However, you MUST WORK INDEPENDENTLY.
- They will be timed exams and you will be given a maximum of 75 minutes for regular exams. The final will be 2 hours long.
- There are no makeup exams. There are no excused absences and no makeup exams for midterms. However, I will drop your lowest OR one missed midterm exam grade.

me by appointment through office hours on Zoom.

Homework

- All homework will be completed in MyLab.
- You will be allowed multiple attempts at each homework question and you will be given the “Help Me Solve This function.”
- You can save your homework and return to it later, but you must click “SUBMIT” in MyLabs in order to get credit for it.
- No Late work will be accepted under any circumstances.

- If you are having technical difficulties, please seek assistance through the help listed in this syllabus. Extensions WILL NOT BE GRANTED FOR TECHNICAL ISSUES.
- Canvas is the official source for your grade, not MyLab. Please check Canvas for your overall course grade.

Check your UNCG email and Canvas Announcements at least DAILY for messages. Failing to read the syllabus, emails or Canvas announcements/updates will not constitute an excuse for missed work, assignments or exams.

- Please note that the Final Exam will be administered in accordance with UNCG’s final exam schedule and will be taken online on the day listed. This schedule is set by the University and cannot be changed. Please plan accordingly.
- The final examination is cumulative – includes material from all 11 chapters.

<td>You are encouraged to ask questions and participate in discussions in class but you must do so respectfully. A violation of this code of conduct may result in you being excused from class and an overall participation grade of zero. If you are excused from class, you must meet with me privately before you are granted permission to return to class. If the issue is severe enough, I may not be able to allow a student to return to class.
