Exam Guidelines

1. Each exam will be available from 12:00 am to 11:30 pm.

2. From the time you begin the exam, you will have 60 minutes to complete and submit each of the first 3 exams, and 150 minutes for the final. If you log-off, the clock is still running. **No exam will be accepted if this time limit is exceeded, and a grade of zero will be assigned. Once you open the exam, you are considered to have taken it; and the weight will not be moved to the final.**

3. You are to work independently on all exams and assignments. You may not confer with anyone about the exam or assignments.

4. You may not use anything but a excel during the exam. Things such as books, notes, recordings or other aids are not permitted. You are to take the exam as if you were in a classroom with nothing but your pencil, paper to work the problems and calculator.

5. Each of the first 3 exams will consist of 20 multiple choice questions. The final will consist of 50 multiple choice questions.

AN Important Note About Covid 19

As UNCG returns to face-to-face course offerings in fall 2020, the campus community must recognize and address concerns about physical and emotional safety. As such, all students, faculty, and staff are required to uphold UNCG’s culture of care by actively engaging in behaviors that limit the spread of COVID-19. Such actions include, but are not limited to, the following:
- **Wearing a face covering that covers both nose and mouth**
- Observing **social distance** in the classroom
- Engaging in proper hand washing hygiene when possible
- **Self-monitoring for symptoms of COVID-19**
- Staying home if you are ill
- Complying with directions from health care providers or public health officials to quarantine or isolate if ill or exposed to someone who is ill.

Instructors will have seating charts for their classes. These are important for maintaining appropriate social distance during class and facilitating contact tracing should there be a confirmed case of COVID-19. Students must sit in their assigned seat at every class meeting and must not move furniture. Students should not eat or drink during class time.

A limited number of disposable masks will be available in classrooms for students who have forgotten theirs. Face coverings will also be available for purchase in the UNCG Campus Bookstore. Students who do not follow masking and social distancing requirements will be asked to put on a face covering or leave the classroom to retrieve one and only return when they follow these basic requirements to uphold standards of safety and care for the UNCG community. Once students have a face covering, they are permitted to re-enter a class already in progress. Repeated issues may result in conduct action. The course policies regarding attendance and academics remain in effect for partial or full absence from class due to lack of adherence with face covering and social distancing requirements.

For instances where the Office of Accessibility Resources and Services (OARS) has granted accommodations regarding wearing face coverings, students should contact their instructors to develop appropriate alternatives to class participation and/or activities as needed. Instructors or the student may also contact OARS (336.334.5440) who, in consultation with Student Health Services, will review requests for accommodations.

Health and well-being impact learning and academic success. Throughout your time in the university, you may experience a range of concerns that can cause barriers to your academic success. These might include illnesses, strained relationships, anxiety, high levels of stress, alcohol or drug problems, feeling down, or loss of motivation. Student Health Services and The Counseling Center can help with these or other issues you may experience. You can learn about the free, confidential mental health services available on campus by calling 336-334-5874, visiting the website at [https://shs.uncg.edu/](https://shs.uncg.edu/) or visiting the Anna M. Gove Student Health Center at 107 Gray Drive. For undergraduate or graduate students in recovery from alcohol and other drug addiction, The Spartan Recovery Program (SRP) offers recovery support services. **COVID-19 Spartan Shield Video**
UNCG Chancellor Frank Gilliam has challenged us to create a Culture of Care at UNCG where we all wear face coverings and social distance, less to protect ourselves but rather more to protect everyone around us. It shows that you care about the well being of everyone around you.
We have created this video featuring your student body presidents to better explain how and why this is so important.

Please watch this video before the first day of classes.
