---

*SUST course – choose 1 from: ECO 100, BUS/ENT 130, HTM 200, LLC 120+120R, or LLC 130+130R

NOTES

1- Transfer students with more than 20 credits will take BUS 216 instead of BUS 115 and BUS 215

2- Grade of C or better (not C-) is required for all courses with this notation

3- Major Elective(s) must be chosen from approved list in the University Catalog

4- Departments requires ISM 301 as your ISSCM Elective to meet prereq for ISM 452
REQUIREMENTS FOR ADMISSION TO CYBER SECURITY MAJOR
2022-2023

Students interested in Cyber Security are admitted as a pre-major in the Bryan School. Students should plan to complete the pre-admission courses by the end of the sophomore year, or as soon as possible thereafter.

Criteria for admission to major:

- □ ACC 201
- □ ACC 202
- □ ISM 110 (grade C or higher)
- □ Grade or C or better in any one of the following courses: MAT 115, MAT 118, MAT 150, MAT 151, or MAT 190
- □ Completion of MAT 120 or MAT 191
- □ Blueprint for Professional Development – BUS 115 and BUS 215 for new first-year students. BUS 216 for new transfer students.

Application for Admission to Major:

Students who have met the admissions criteria will be notified of admission into their intended major by the Bryan Undergraduate Student Services by October 15th if completing required coursework during a fall semester, March 15th if completing required coursework during a spring semester, or July 15th if completing required coursework during a summer session. Admission to major may be denied in cases where additional enrollment would threaten the academic quality of classes or programs.

Enrollment in Bryan School courses requires a minimum cumulative GPA of 2.0 on UNCG coursework, regardless of the student’s major or minor. This includes all courses offered under the following prefixes: ACC, BUS, ECO, ENT, FIN, ISM, MKT, MGT, SCM, and STH. Certain courses may have additional enrollment restrictions that are listed on the University Catalog.

Students who have been admitted to a Bryan School with a Cyber Security concentration must be in good academic standing at UNCG, must maintain at least 2.0 cumulative GPA as required, and must earn minimum grades of C or higher for each of the following major courses: ISM 110, ISM 201, ISM 218, and ISM 240.

While the programs listed above are featured for the Department of Information Systems and Supply Chain Management, students are by no means limited to these opportunities.

For information on all available programs, please visit http://studyabroad.uncg.edu and use the program search.

It is the student’s responsibility to plan for and meet all program requirements. Refer to the current University Catalog for a comprehensive list of degree requirements.

Transfer equivalencies are not guaranteed – students must follow Bryan School policies and procedures for gaining approval for all transfer coursework.

Grade of C or better (not C-) or its equivalent at the host institution is required for all courses taken as part of an approved study abroad program.
