Course Work

Online Quizzes (7):

There will be online quizzes covering material from the pre-recorded lectures and assigned readings. Students may take each quiz 2x, and the highest score will be counted. The quizzes consist of multiple choice or true/false questions. Quizzes are available via Canvas “Quizzes” page. Quizzes must be completed prior to the beginning of the optional virtual class. Due dates are listed in the course calendar.

Assignments (2):

The instructions for the Individual Assignments are available via the Canvas “Assignments” page. The assignments should be submitted electronically via the Canvas “Assignments” page.

Online Discussions (choose 3 out of 4):

Students will participate in at least four online discussion activities. Discussions will be based on questions from the instructor relevant to the assigned case. For each of the online case discussions, students will choose and answer one instructor question and then discuss the responses with classmates. See the “Course Calendar” for posting deadlines.

Exam (1):

Another requirement of this course is the completion of an online, open note examination. The Exam covers Sessions 1-6 and is accessible via Canvas “Quizzes”. The Exam consists of multiple choice, true/false, short answer, and long answer questions.

BSG Simulation:

Pre-determined teams of 3 students will be used for the BSG Simulation exercise. Each team will manage a company, and will be required to make a set of decisions relating to the various functional areas in the simulation Business Strategy Game (BSG). To learn the mechanics of playing the simulation, you will need to read the Player’s Guide thoroughly. To register for the BSG simulation, I will provide each student with her/his industry/company registration code at the outset of the course. You will need to go to www.bsg-online.com and register for the simulation exercise. You will need to complete the registration process by paying with a credit card. The cost is \$44.95.

You will be evaluated on the following activities:

1. One Simulation quiz (open-book, to be completed online by the due date shown in the schedule).

2. Simulation Performance: Your team will be awarded points based on how well your company meets its different performance objectives in comparison with other companies in the same industry, bounded by a maximum of 100 points and a minimum of 50 points (contingent on submission of all decisions). Your company’s performance out of 100 points will be based on five performance measures, with weights in parentheses: (a) earnings per share (EPS) (20%); (b) return on stockholders’ equity (ROE) (20%); (c) stock price appreciation (20%); (d) the company’s credit rating (20%); and (e) corporate/brand image (20%).

3. Team Written Report: A written report of a review of your company's strategy and performance in the athletic shoe industry at the end of the simulation.

4. Peer Evaluations and team member non-performance recourse process: Group exercises are among the most difficult in business and during school especially when team members are in different parts of the state/country. Therefore, it is common for teams to experience a variety of problems ranging from overactive participants to free-riders. If your team experiences a dysfunctional dynamic, it is essential that the process be fully documented for any instructor mitigation to occur. If you feel that your group is not performing effectively, alert the instructor directly by email. While the BSG site of the groups will be monitored, the class is large and there are many groups and non-performance should be specifically identified. You will have the opportunity to directly influence your team members' grade through the peer evaluation process. If necessary, your team may opt to "fire" a team member.

Course Policies

Policy on late work: Late submissions will automatically be marked down 10% for every day they are late. I will grant exceptions to this rule for documented medical emergencies.

Exam: Students are expected to take the exam at the regularly scheduled time, unless permission has been granted by the instructor at least 2 weeks in advance in writing. The exam is individual work and collaboration on the exam is not permitted under any circumstance.

Canvas and Electronic Communications: Having access to and frequently checking Canvas and your UNCG e-mail will be important to your success in this course. Students can expect to receive communications from the instructor (via course "Announcements" or via email). You can expect to receive responses to your inquiries within 24-48 hours. Students are responsible for all official correspondence sent to their standard UNCG e-mail address (@uncg.edu). I will assume that you check your UNCG e-mail account daily, and that you are aware of any communications or requests sent at least 24 hours prior to any assignment related to class meetings. (Privacy considerations, such as federal law, may apply when using an address other than the standard University e-mail address. For this reason, I cannot respond to any electronic communications that are not from a UNCG e-mail account.)

Inclement Weather: The University of North Carolina at Greensboro will remain open during adverse weather conditions unless the Chancellor makes the administrative decision to make a schedule change. Students can obtain details on those decisions from the Adverse Weather Line at (336) 334-4400 or the web address: <http://www.uncg.edu/iss/weather.htm>

Health and Well-Being: Health and well-being impact learning and academic success. Throughout your time in the university, you may experience a range of concerns that can cause barriers to your academic success. These might include illnesses, strained relationships, anxiety, high levels of stress, alcohol or drug problems, feeling down, or loss of motivation. Student Health Services and The Counseling Center can help with these or other issues you may experience. You can learn about the free, confidential mental health services available on campus by calling 336-334-5874, visiting the website at <https://shs.uncg.edu> or visiting the Anna M. Gove Student Health Center at 107 Gray Drive. For undergraduate or graduate students in recovery from alcohol and other drug addiction, the Spartan Recovery Program (SRP) offers recovery support services. You can learn more about recovery and recovery support services by visiting <https://shs.uncg.edu/srp> or reaching out to recovery@uncg.edu

COVID-19 Policy: As we return for Fall 2022, all students, faculty, and staff and all visitors to campus are required to uphold UNCG's culture of care by actively engaging in behaviors that limit the spread

of COVID-19. While face-coverings are optional in most areas on campus, individuals are encouraged to wear masks. All individuals and visitors to campus are asked to follow the following actions:

- Engaging in proper hand-washing hygiene.
- Self-monitoring for symptoms of COVID-19.
- Staying home when ill.
- Complying with directions from health care providers or public health officials to quarantine or isolate if ill or exposed to someone who is ill.
- Completing a self-report when experiencing COVID-19 symptoms, testing positive for COVID-19, or being identified as a close contact of someone who has tested positive.
- Staying informed about the University's policies and announcements via the COVID-19 website.

Students who are ill, quarantining, or isolating should not attend in-person class meetings, but should instead contact their instructor(s) so alternative arrangements for learning and the submission of assignments can be made where possible.

As we continue to manage COVID-19 on our campus, we are following the lead of the local health department and we will adjust our plans to balance student success, instructional requirements, and the hallmarks of the collegiate experience with the safety and wellbeing of our campus community.
