## Academic History

Add an entry for every post-secondary institution you have attended.

- Click **Add Institution** and begin typing the name of your institution.
- Select your institution from the search results  
*The system will automatically identify your school's location and CEEB code.*
- Enter your dates of attendance and degree information
- Click **Choose File** to upload a PDF of your transcript

**UNC Greensboro Students & Alumni:**  
UNC Greensboro students and alumni do not need to upload or request their transcripts. The Graduate Admissions Office will retrieve and upload them for you.

**Academic History**

An "official transcript" is a transcript issued by the institution (from the Registrar, for example) and not printed by the student from advising software. Degree evaluations/audits are not acceptable.

Please enter a record for every post-secondary institution you have attended, or are presently attending (including UNCG). During the application process, you may upload unofficial transcripts (not degree evaluations/audits) for faster processing. One transcript (unofficial or official) from every college and university previously attended is required for the application process. If credit from one institution has been transferred to another and is listed on the receiving institution's transcript, a transcript from the original institution is not required. **(EXCEPTION: NURSING APPLICANTS MUST SUBMIT TRANSCRIPTS FROM ALL COLLEGES AND UNIVERSITIES ATTENDED)** If an applicant is currently enrolled in a degree program and will not graduate prior to an admission deadline, unofficial transcripts should be provided that reflect courses in progress. If you are admitted to the university and decide to enroll, final, official transcripts showing evidence of degree earned and date of conferral and/or completed coursework and final grades is required within your first semester.

Applicants whose baccalaureate degree is from a college or university outside the United States must submit a course-by-course evaluation report as part of the application. The evaluation report may come from any National Association of Credential Evaluation Services (NACES®) services. The purpose of the credential evaluation report is to authenticate academic credentials and ensure course credit and U.S. grade equivalency are completed accurately. This also eliminates the need to obtain official, translated transcripts from your school(s) being sent to UNCG.

**International Students:**  
If your school's name does not appear in the search results, see the **red help text** on the pop up screen.

### Which transcripts to include?

- Any college or post-grad coursework (*unless the coursework was transferred to another school where a degree was conferred*)
- Bachelor's degree and any other advanced degree

### For Application Review:

- Unofficial transcripts are acceptable  
*(Student dashboard views should not be used)*

### For Enrollment:

- Official transcripts are required

### Submission Options:

Upload via application portal.

## Additional Information

Continue your application by providing additional information for:

- Graduate Assistantship Interest
- Emergency Contact Information
- Military Affiliation & Service
- North Carolina Residency
- Visa Status (*for international students*)

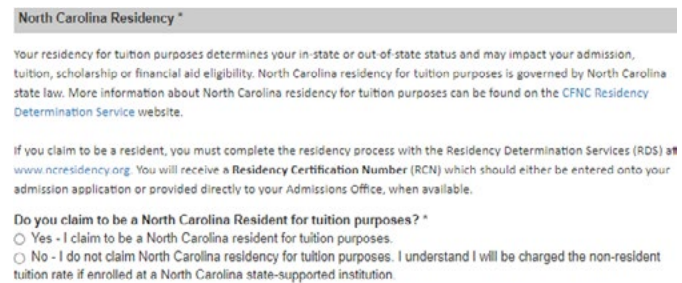

## North Carolina Residency

At UNC Greensboro an applicant's tuition rate is determined by their residency.

- If you claim to be a North Carolina resident, you will be asked to visit [ncresidency.org](http://ncresidency.org) to obtain a Residency Certification Number (RCN) and enter it within the online application.

For more information about the process of establishing residency in North Carolina, visit the Residency Determination Service (RDS) website: [ncresidency.cfnc.org/residencyinfo](http://ncresidency.cfnc.org/residencyinfo)

Decisions regarding residency are made by RDS, and questions should be directed to their office.

### International Students:

In most cases, the Out-of-State tuition rate applies to international students.

Many international students ask "How can I be considered a North Carolina resident?" The answer is complicated. If an international student is a permanent resident alien (has a green card), then he/she may be considered for in-state tuition under the same considerations as any other student. If a student is present in the United States under some visa programs (e.g., F-1 student visa, B-1 visitors visa), he/she will never be considered a North Carolina resident. Some visa programs, however, permit a possibility of obtaining North Carolina residency.

Please make arrangements to have your official score report forwarded to the Graduate School for processing. You may visit the [Entrance Exam Requirements](#) page for more specific contact information in regards to requesting your official test scores to be sent to UNCG:

Institution Code: **5913**  
No department code is required.

If you are uncertain as to which test score is required, please visit the following page: <https://grs.uncg.edu/prospective/guide/>

#### Non-Native English Speakers - Proof of English Proficiency

Applicants whose native language is not English and who have not met the UNCG English language proficiency score may apply for **conditional admission**.

Applying for **conditional admission** means you are requesting your application to be reviewed without an English language proficiency score report, or reporting a score that is below the minimum requirement for **direct admission**. If admitted conditionally, applicants will be enrolled in the UNCG School of Education Global Pathway program. Upon completion of Level 3, you will then fully matriculate into your intended major.

Students applying for **conditional admission** who have previously taken an English Language Proficiency test must click **Add Test** and fill out all corresponding information specific to that test.

Applying for **direct admission** means you must submit an official score report of one of the following: IBT TOEFL: 79; IELTS Band Score 6.5; ELS 112; DET 10; or PTE 67 minimum. The test score must be no more than two years old from the date of application submission. UNCG also accepts evidence of completion of Interlink Language Level 5, American Language Academy Level 5, or Mentora College's ESL program.

### A Note from the Grad Recruiters...

GRE/GMAT scores are NOT required for the following programs:

- MBA
- MS in Retail Studies
- MS in International Business
- Graduate Certificates

However, some applicants may choose to upload a score.

### Why upload a GRE/GMAT Score?

Including a test score can help demonstrate academic capability, especially for applicants with a low GPA and little work experience.

## English Language Proficiency (ELP)

Acceptable ELP test scores are required for non-native English-speakers.

Applicants eligible for an ELP test waiver **do not** need to upload a score and may proceed to the next screen.

If you believe you qualify for an ELP test score waiver, proceed with submitting your online application. The graduate admissions staff will follow up with you if additional information is needed.

See the Graduate School's international application guide (*linked on page 2 of this document*) for more information on score requirements and waiver options.

### International Students:

The most popular ELP waiver categories are for applicants who meet one or more of the following:

- From a country where English is recognized as the primary, official language.
- Have a degree or certificate from a U.S. regionally accredited university.
- Graduated from a non-U.S. college/university where English was the primary language of instruction.

## References & Letters of Recommendation

References are required for most graduate programs and are handled entirely within the online application portal.

### A Note from the Grad Recruiters...

Before entering your recommenders' contact information, we recommend reaching out to them to ask if they're willing to be a reference for you.

You will also need to gather the following information for each reference:

- First and last name
- Organization/company name
- Relationship to you
- Position/job title
- Telephone number
- Business/company email address

- Click **Add Recommender**
- Enter their contact information
- Click **Send to Recommender**

**NOTE:** Printed, mailed, or hand-delivered recommendations are not accepted.

The screenshot shows a navigation menu on the left with links for Home, Personal Background, Degree Program, Academic History, Additional Information, Recommendations (highlighted), Supplemental Documents, Campus Safety, Signature, and Review. The main content area is titled 'Recommendations' and contains instructions: 'Click Add Recommender and insert the name and contact information of each recommendation provider. This is required, even if reapplying. Your recommenders will receive an email invitation and can click a link to complete and submit the recommendation. You will receive an email confirmation when your recommender submits the recommendation form and you may also check the Application Status page to verify which recommendations have been received once we have confirmed your application submission via email.' Below this are bullet points: 'Choose your strongest recommenders.', 'Recommenders should be those who can speak to your professional or academic abilities. If you need additional guidance, see this helpful article.', 'Your recommendations will automatically be matched to your application upon submission.', 'The access code is valid for 180 days from the date you input and save their information.', 'To complete the recommendation online, a recommendation provider must have a valid email address.', 'If you would like to resend a reminder, check the box next to his/her name and click on the "Resend" button. This will automatically generate a reminder email.' At the bottom, it says 'THIS PROGRAM REQUIRES 3 RECOMMENDERS.' and shows a table with columns 'Name' and 'Status', a link 'Add Recommender', and a 'Continue' button.

**Applicant enters contact information for references**

Use their business email address if possible

**System notifies references**

Letters should be on school or company letterhead if possible

**References upload their letters**

Applicants will be notified as reference letters are submitted

**MBA Program Applicants:** Instead of a letter of recommendation, your references will be asked to respond to an online survey about you.

### A Note from the Grad Recruiters...

Who should you ask to recommend you?

- Current or former supervisor
- Teacher or academic advisor
- Volunteer supervisor
- Student group advisor
- Current or former client

*Note: Recommenders should not be personal friends, relatives, faith leaders, etc. unless they have supervised you.*

It may help to provide them with your resume and a list of suggested reference topics such as:

- How they know you and the nature of your relationship
- Why they would recommend you for a graduate program
- How your education would benefit their company / organization (if applicable)

## Campus Safety

Campus Safety

\*required field

In an effort to maintain a safe learning community, we must ask the following questions of all applicants. For the purposes of the following questions, "crime" or "criminal charge" refers to any crime other than a traffic related misdemeanor or an infraction. You must, however, include any alcohol or drug related offenses whether or not they are traffic related incidents. If an applicant has criminal charges pending against them that will not be resolved by a date expressed by Graduate Admissions, the applicant will not be cleared.

If you answer "yes" to any of these questions, please provide a written explanation that gives the approximate date of each incident, explains the circumstances, and reflects on what you learned from the experience. The university reserves the right to require an additional statement from an appropriate official corroborating your account, either before acting on your application or before permitting you to enroll. Your failure to provide such a statement upon request may be grounds to deny or withdraw your admission or to dismiss you after enrollment.

You are required to notify the university immediately and in writing of any new or pending criminal charge, any disposition of a criminal charge, or any school, college, or university disciplinary action against you, or any type of military discharge other than an honorable discharge or any non-routine absence from school, that occurs at any time after you submit this application and prior to enrollment. Your failure to do so may be grounds to deny or withdraw your admission or to dismiss you after enrollment.

A "yes" answer to any of these questions will not necessarily preclude admission. However, your failure to provide
