REQUIREMENTS FOR ADMISSION TO APPAREL PRODUCT DESIGN MAJOR

2023-2024

The Apparel Design concentration is restricted to a limited number of students in the studio courses. All students wishing to enroll in the apparel design studio courses must submit an Apparel Design Application. Only students who have taken APD 200 and earned a C or better in the course and have at least 2.5 cumulative GPA are eligible to apply. Applications will be reviewed by a faculty committee following the completion of each spring semester. Only students who have formal, written acceptance into the Apparel Design studio courses will be permitted to register in APD 251, APD 252, APD 341, and APD 443. **Admission to the university does not guarantee acceptance into the Apparel Design studio courses.** In all cases, admission is competitive and limited by space available in the program.

All students wishing to enroll in the apparel design studio courses must submit an Apparel Design Application composed of the following three items:

1. An essay of no more than 500 words that addresses the following three questions. 1) Why did you choose Apparel Design as your concentration within this major? 2) What is something you learned in a CARS or APD course that you found especially interesting and why? 3) Your professional goals for the five years following graduation. Include any relevant prior work or volunteer experience.
2. No more than five images of your work related to apparel design. Photographs of your sewing/garment construction work and examples of work completed using Adobe PS /AI should be included.
3. An unofficial/advising copy of student transcript of all university work (at UNCG and other institutions, if applicable)

Students are notified of the committee's decision regarding acceptance in early May. Applications will be evaluated based on the following criteria: (1) Academic Merit, (2) Quality of written statements, and (3) Quality of work depicted in images. Students not admitted into the APD concentration will remain enrolled in the CARS major and will be moved into the RCS concentration. All CARS courses taken prior to the review in which students earn a C or better will count toward the degree.

Interested in Studying Abroad?

<http://studyabroad.uncg.edu> and use the program search

Grade of C or better (not C-) or its equivalent at the host institution is required for *all* courses taken as part of an approved study abroad program.

Transfer equivalencies are not guaranteed – students must follow Bryan School policies and procedures for gaining approval for all transfer coursework.

It is the student's responsibility to plan for and meet all program requirements. Refer to the current University Catalog for a comprehensive list of degree requirements.
